The Honorable Peter W. Rodino, Jr.
The House of Representatives
Washington, D.C.

Dear Mr. Rodino:

Once again Free Europe is indebted to you. The hearing last Thursday seemed to us to be a significant forward step for your bill and was most encouraging to all of us. I particularly want to thank you for your strong statements of support.

My colleagues and I were impressed by the friendly atmosphere of the hearing and there is no doubt in our minds that this, in good part, was due to your special efforts.

Thanks again.

Sincerely yours,

John Richardson, Jr.
